

# DIGITALISATION OF PROCESSING IN THE DAIRY INDUSTRY

80th ANNIVERSARY CONFERENCE

22nd-24th November 2023

---

## Conference Theme

New smart dairy factories with embedded information and communications technology (ICT) are becoming operational in Europe with the prospect of step-change improvements in productivity, sustainability and quality. Thus it is appropriate that Digitalisation of Processing in the Dairy Industry is the theme of the SDT Autumn Conference to be hosted by the Southern Ireland Section in Cork.

## Conference Topics

Applications of digital solutions in dairy processes

In-process digital analytical techniques

Integration of process and analytical data

Supply chain digitalisation

Flash presentations and open forum sessions

*as well as:*

Student Poster Exhibition

Visit to Teagasc Food Research Centre, Moorepark

Trade Exhibition & Social Programme

## Speakers

Speakers will include business leaders, academics, ICT experts and project engineers including presentations from:

- Prof. Brent Young, University of Auckland, NZ
- Mathias Langhans, Global Account Developer for Dairy, Siemens, DE
- TBC, Friesland Campina, NL
- Brendan Sheppard, CEO SMARTFACTORY

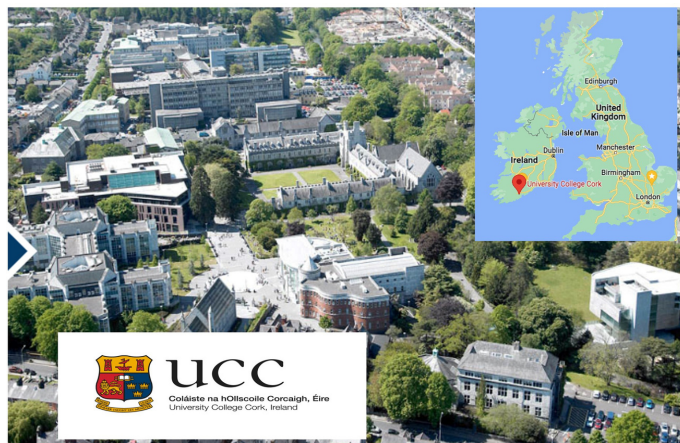

*Keynote speaker Prof. Brent Young*

---

## Conference Venue

University College Cork, which has a proud heritage in Dairy Education in Ireland and recognized as an international centre of excellence in Dairy Research, is the venue for the 2023 Autumn Conference. Located on the banks of the river Lee and landscaped by nature the UCC campus has many interesting buildings and features, ranging from the historical Stone Corridor of the Main Quadrangle to the modern Lewis Gluckmann Gallery in the Lower Grounds.

One of the top cities in the World to visit, Cork has been described as “sophisticated, vibrant and diverse while still retaining its friendliness, relaxed charm and quickfire wit” (Lonely Planet Guidebook. For more about Cork visit: [www.corkcity.ie/en/things-to-do](http://www.corkcity.ie/en/things-to-do) & [www.discoverireland.ie/cork](http://www.discoverireland.ie/cork).

## Registration

To register your interest in attending, submitting a presentation or poster, making a discussion group proposal, booking exhibition space or sponsoring a session/keynote speaker/other programme event please contact Mr. Michael Hickey, Hon. Sec. S.Ireland Section SDT by email; [mfhickey@oceanfree.net](mailto:mfhickey@oceanfree.net). For online Conference registration : [www.sdt.org/events/29/registration](http://www.sdt.org/events/29/registration).

For more details, follow the conference on the SDT website: [www.sdt.org/events/29/](http://www.sdt.org/events/29/)
