

Eden Student of the Year Award

Criteria

(2026)

Eden students are encouraged to apply for the Eden Student of the Year Award. For 2026, the application criteria require a reflection on your experience at the Society of Dairy Technology Spring Conference, of no more than **500 words**. The reflection should focus on your personal and professional development, highlighting the key takeaways from the event, including important learning points, industry insights, and valuable professional interactions. It should also explain how this experience will shape your future professional behaviour, practice, and career aspirations.

Requirements:

- 500 words in a word or pdf format. Please state your name and company in the header of the document.
- To be sent to execdirector@sdt.org by **Friday 15th May 2026**
